

Combined hinged and sliding door

The combined hinged- and sliding door offers 3000 or 6000 mm wide opening in compact way. All the advantages of both door types are merged into one. The door has folding panels on wheels, which means that you quick and easily can open the door by sliding the door panels together and then folding them down.

Maximum height is 2300 or 3055 mm and maximum opening is 3000 or 6000 mm.
