

Detachable hinge door

The X-Guard detachable hinge door is a mobile hinge door on wheels and meant to be operated the same way as a normal hinge door. This door is a great option when space around the door is limited. If desired, just detach it and roll it aside. The rigid handlebar makes the door stable and easy to handle. Each support wheel has a parking brake.

Models

| ARTICLES / DESCRIPTION | MAX OPENING WIDTH (MM) | MAX HEIGHT (MM) |
