

Axellent Product Information

» FlexCore Bollard

FlexCore Bollard

FlexCore Bollard is stronger than steel plate bollards and easier on your equipment and people.

No more holes to dig, concrete to pour or pipes to paint, the FlexCore Bollard installs in a fraction of the time and at much lower cost, without sacrificing strength.

FlexCore Bollard

- Energy Absorbing Design - Impact forces are directed into the concrete
- Rotating HDPE Shell - Exclusive shell design rotates with sideswiping hits
- Quick Installation - Installs fast, protects for years
